Emergency Evacuation Procedure in the case of Fire

Updated 3rd January 2010

In case of fire, evacuate the building immediately through the nearest available door.

There are two exits: front door, and back door. Assemble in the car park next to the garage if it is safe to do so.

Please contact Geoffrey or Vivien Vos on 01886-880262 or 07889-657028 or 07801-721165.
